B.E in IT

Shantadurga higher secondary School bicholim, Goa
2021-22
Higher Secondary School Examination

Progress high School sanquelim , Goa
2019-20
Secondary School Examination

PROJECT

VEHICLE RESERVATION SYSTEM

A vehicle registration system links a vehicle to its owner or user. It also helps ensure that vehicles are taxed properly, meet safety standards, and are insured.

PIRATE SHIP - A BLENDER 3D MODEL

This project showcases a highly detailed 3D model of a pirate ship, designed and rendered using Blender. The ship features intricate details such as wooden textures, sails, cannons, and a weathered appearance, capturing the essence of an adventurous pirate vessel
